1. There is talk in Vienna government circles of the removal of Dr. Georg Zimmermann as Minister of Finance and his appointment as head of the Tabak Regie in the place of the ailing Dorsch. If this happens, Minister Peter Krauland will probably become the new Finance Minister. No successor has yet been found to take over Krauland's present post as Minister for Economic Planning.

2. Dobretsberger's name is coming more and more to the fore as one of Gruber's main opponents. [redacted] 25X1X6
